Introducing For The Record

Capturing difficult but
important stories so no
other family has to go
through the same
tragedy

Tony went to the
hospital for oxygen.

He didn't come home.

#ForTheRecord

The background features a teal and light green floral pattern with soft, painterly textures. A prominent red, rounded rectangular box is centered on the page, containing white text.

**LEGISLATIVE
SUPPORT,
ADVOCACY &
LEGAL INITIATIVES**

Defeat the Mandates DC

- An estimated 35,000-50,000 people attended
- Significant support for event from FLCCC PR and marketing team
- Drove awareness and messaging

Second Opinion Panel

- **Over 4 million views online of 5+ hour video stream**
- **Segment with Paul Marik talking about his experience in hospital went viral**

People's Convoy launch

Inspired by the massive
Freedom Convoy in Canada

MILLION
Radio

Defeat the Mandates *LA*

- **Estimated 25,000 attendees**
- **FLCCC supported through financing, bill payment, marketing, PR, and post-event fundraising**

*Medical
freedom
panel -
Ohio state
capital*

"The NIH, the CDC, the WHO, all said 'sorry guys... there's no treatment,' which was outrageous. How can you do that? As a doctor, you've got to do something! So that's why we put the FLCDC together. And now we are doing the same thing for the vaccine injured."

State- level support

Plus, testimony
in Australian
Parliament!

New Hampshire

- **10 supported medical freedom bills became law**

Tennessee

- **New law allows pharmacists and physicians to enter into private "Collaborative Agreements" to sell ivermectin over the counter**

South Dakota

- **Testified in front of legislature**

Virginia

- **Attended rallies and meetings with legislators**

California

- **Push back against AB 2098**

Pennsylvania

- **Testimony in State Senate hearing**

Taking on Letitia James

**Cease and desist letters go out
to providers from New York's
Attorney General**

**FLCCC responds and, after a
back-and-forth, the AG writes:**

*“The Bureau declines to intervene in
the patient/provider relationship...
Prevention and treatment decisions
are best made after individual
patient/provider discussions.”*

Defending against attack

Letters written on behalf of Dr. Pierre Kory regarding baseless complaints

Defending Board certification for Dr. Pierre Kory and Dr. Paul Marik to American Board of Internal Medicine

Filing amicus brief in Wisconsin State Supreme Court

Defending studies published in medical journals against retraction requests

Filing suit against the FDA

The image features a teal background with a repeating pattern of stylized, four-lobed floral motifs. A red rounded rectangle is centered on the page, containing the text "WHAT COMES NEXT?" in white, bold, uppercase letters. The overall aesthetic is modern and graphic.

**WHAT
COMES
NEXT?**

Get ready for 2023!

- F**OSTERING A COMMUNITY OF LIKE-MINDED PROFESSIONALS
- L**EARNING AND SHARING THE LATEST RESEARCH AND DATA
- C**REATING COURSES, CONFERENCES, AND LEARNING TOOLS
- C**URATING AND DEVELOPING ENGAGING CONTENT
- C**HAMPIONING PROVIDERS' AND PATIENTS' RIGHTS

*Fostering a
community
of like-
minded
professionals*

Add Frontline Healthcare Providers to Directory

- **For COVID Treatment**
- **For Vaccine Injury**

Build FLCCC Alliance

- **Share and exchange emerging symptoms, diagnoses, and effective treatments**
- **Feedback on FLCCC protocols**

FLCCC Advisors & Educators

- **Develop our circle of trusted experts**
- **Develop educational content for specialties and different patient groups**

Learning and sharing the latest research and data

Track and monitor emerging research

- **Use data to refine existing protocols and determine need for new protocols**
- **Monitor latest variants in US and globally**
- **Create summaries for FLCCC Alliance**

Determine new testing to inform better diagnostics and treatment

Ensure protocols are up-to-date and effective

- **Quickly respond to emerging issues based on data and patient/provider feedback**
- **Look at other emerging and chronic illnesses**

Creating courses, conferences, and learning tools

Medical Education Conferences

- **To take place each spring and fall**
- **Digital-on-demand content to make accessible to global audiences**
- **Support for continuing education credits, where applicable**

Develop new CEU courses and partnerships

Continue to develop tools to train providers and empower patients

Curating and developing engaging content

Continued upgrades to FLCCC website

- **Keep it secure, scalable, and easy to navigate**
- **Conduct user testing/survey to ensure ease of use**
- **Add additional features such as community, educational tools, etc.**
- **Build out provider and pharmacy directories**

Expand reach and engagement with audiences

- **Go where the conversation is - move to multiple platforms**
- **New tools for two-way conversation**
- **New types of content - guest columns, Twitter Spaces, video summaries, etc.**

Championing providers' and patients' rights

Legal and legislative initiatives will continue

Advocacy for scientific debate and medical freedom

- **Right to Treat**
- **Right to Try**
- **Informed Consent**
- **Return to the 'art of doctoring'**

Fight against 'mandated medicine'
